A CREATIVE POSTCARD EXHIBITION FOR CHARITY

The International Unitarian Church of Prague, 24-26 October 2024

Submissions by **SEPTEMBER 27, 2024**

An open exhibition for everyone, including established and aspiring artists, with all proceeds to *Amelie*, an organization creating support centres for cancer patients and their loved ones - to be held in the Capek Hall, Unitaria, Anenska 5, Prague.

We have asked renowned artists, public figures, and members of the community to highlight the universal power of art to make a positive impact in our community.

Your work will be displayed anonymously alongside celebrity contributions. Who knows what famous person's art you may buy.

It's easy to take part:

Create an A6 (148mm x 105mm postcard size) artwork. You can use paint, watercolour, pencil, charcoal, collage, embroidery, sculpture - in fact any medium you wish, as long as we are able to hang the postcard normally.

Entrants who return a completed piece of work will receive an invitation to the Private View and be the first to be able to buy a picture.

All we ask is for a small art work **signed on the back, not the front!**

Every piece of work will be put on show anonymously during the three-day art exhibition and will be available for sale at 299Kcs each. All proceeds from the sales will go to *Amelie*.

Refreshments will be available on all days .
